

ARRESTS FOLLOW  
RIOTS IN CHICAGO

Police Ask That Coroner's Investigation Be Postponed for Few Days.

Chicago, June 21.—With R. D. Jonas, said by the police to be the white leader of an organization advocating the return of negroes to Abyssinia, Edward Redding and seven negroes under arrest in connection with a riot last night in the Chicago black belt that resulted in the killing of two white men and the wounding of several negroes, police and federal officers began an investigation of the "Star Order of Ethiopia" whose members were reported to have participated in the affair.

The police were still searching for Joseph Fernon, who is said to call himself the "great Abyssinian" and his son. According to report, they, garbed in fantastic raiment, also were leaders of the parade. Jonas said that he had warned federal officers last week of the proposed parade of the cult and that they should be on the watch for trouble but declared that no attention had been paid to his statement.

Packages of pamphlets explaining "Egyptian secrets" were taken from Redding. He had concealed them under his clothing. They were held as evidence of his alleged activities among negroes in spreading the cult.

The inquests into the deaths of Charles Hoyt, a cigar store clerk, and Robert L. Rose, a sailor, victims of the riot, was postponed until June 25 at the request of the police. Captain Caughlin of the Cottage Grove police station declared that he had three of the men believed to be implicated in the shooting, under arrest and wanted more time to search for a fourth said to be a negro, former soldier.

## Inquiry By Government.

While the police were quizzing the alleged leaders of the Abyssinian cult, Edward J. Brennan, chief investigator for the department of justice, started an inquiry on behalf of the government.

He said a searching investigation would be made to determine just how far the Abyssinian movement has spread and what individuals are behind it.

Resolutions denouncing Jonas as a white leader responsible for creating unrest among the negroes were passed today by several negro organizations. They said that the riot was not caused by racial feeling but was the result of radical propaganda and that reputable negroes had no part in the movement.

Jones was said to have been the chief speaker at a meeting to urge Mayor William Hale Thompson to become a candidate for president on a third party ticket backed by the "solid Irish and negro vote."

## Much Literature Seized.

Thousands of pieces of literature relating to the Abyssinian movement were confiscated by the police in a raid on a garage on the Southside. According to the police, one leaflet boasted that a standing army of 4,000,000 was in readiness in Ethiopia. Applications for admission to the order were among the papers. They were captioned "Star Order of Ethiopia" and bore Bibi's quotations.

Jonas is said to have claimed to be from Norfolk.

The police said tonight that two negro witnesses to the affair identified Redding as the man who killed Rose and Hoyt.

Previously Jonas had identified Redding as the man who led the parade and who burned the flag. Redding, smartly dressed in a frock coat, protested that his name was George Brown and that he had just come to Chicago from St. Louis. He said he was a laborer for the street railway.

Jonas admitted to detectives that he was at one time a leader of the Abyssinian movement but denied any connection with Sunday's parade.

The police tonight were searching for two brothers named McGavick, said to be agitators for the African colonization scheme. They were informed that one of the brothers left Sunday night either for Philadelphia or New York, and authorities in those cities were asked to watch for him.

A meeting of striking waiters, whites and negroes, called for tonight, was prohibited by Chief of Police Gerrity, who said that the intermingling of whites and negroes would be dangerous.

Pittsburgh, June 21.—Officials of the Pittsburgh police department announced late tonight that they had arrested Oscar McGavick, a negro of Chicago, who is wanted in that city in connection with Sunday's rioting. The negro was taken from a train to tonight when it arrived here from Chicago. Authorities said he claimed at first that he was "George Brown" but admitted later that he was McGavick. He was arrested on instructions from the Chicago police.

## What a Thing it is to be Fit!

To be not merely free from actual sickness, but to be *well*, abundantly well, exuberantly well—and to have the mental vim and stamina which go with physical robustness!

Wholesome food, regular habits, exercise—that is the way to keep fit.

Such health is out of the question for you as long as you are constipated. And laxative and cathartic pills only aggravate and confirm the constipation habit.

Nujol works on an entirely new principle.

Instead of forcing or irritating the system, it *simply softens the food waste*. This enables the many tiny muscles in the walls of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it passes naturally out of the system.

Nujol thus prevents constipation because it helps Nature maintain easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world. Nujol is absolutely harmless and pleasant to take. Try it.

Nujol is sold by all druggists in sealed bottles only, bearing Nujol Trade Mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York, for booklet "Thirty Feet of Danger".

Think what depends  
on your tubes

They are almost as important as your tires. Yet few men watch tube service.

Miller builds the finest tubes that have ever been developed. For 24 years Miller has specialized in super-grade rubber goods.

Miller builds more surgeons' gloves, for instance, than any other concern in the world. And that's the sort of skill required in tubes.

Miller Tubes are built of thin sheets of pure rubber. They are built layer on layer—sheet on sheet—up to the proper ply.

Then each tube is tested for hours under air pressure to make sure it is air-tight.

You don't get such tubes when you buy tubes by guess. Come and try a Miller Tube, red or gray. Watch its service. After that you'll never buy an ordinary tube.

Millers cost no extra price.
